

TO WHOM IT MAY CONCERN

Dear Sirs/Madam,

Re: Smart Communication Appreciation Letter

We have appointed Smart Communication as our Public Relation Agency since year 2000 and would highly recommend her to other companies.

Smart Communication is a professional and reliable agency which is experienced in PR, event marketing and advertising. The team in Smart Communication has a good sense of marketing, brilliant press release writing skills and inseparable relationship with media.

They have been helping us to build up our brand Onkyo and made noise in the market by holding many successful product launch press conferences. A large numbers of niche media reporting has been released throughout the years.

Their working style which is attention to details, with courtesy services and always positive attitude makes us trust and rely on their service very much.

We would like to thank the Smart Communication team. Well done and keep up the good work!

Yours Sincerely,

PK Wong
